## MUSKOGEE FEDERAL CREDIT UNION

### Get pre-approved for your car loan

Are you in the market for a large purchase like a new home or a new set of wheels? Don't forget to get pre-approved first!

#### Here's why:

- 1. You'll know what you can afford.** A pre-approval from one of our loan professionals will tell you exactly how much you can afford, simplifying and quickening your search.
- 2. You won't get taken for a ride.** When you're unsure how much you can spend on a car, the dealer may try to sell you one that costs more than you can really handle.

- 3. You'll be taken seriously.** A car dealer will take you more seriously when you have that pre-approval!

- 4. Secure the rate and financing terms you desire.** When you are making the deal for your purchase, there are bound to be some confusing moments as things come together. Some dealers use this as an

opportune time to upsell warranties, insurances, and other add-ons. While these things require consideration, it is easy to tack the costs onto a loan without considering how it will impact payment and overall cost. Working with one of our loan professionals that truly care about you can save you in the long run.
